Omschrijving: ST1 Amstelveen + volledige naam

Program

The course will be given in english and course materials in english will be given a week before the course to all paid participants.

Mainly there will be communication by whatsapp group. In case you have objections against it, please notify beforehand.

Main structure of the course

Lesson 1 Exploration: what makes the stepsmethod unique and great learning method.

Lesson 2 First skills: how to use (digital) tools in practice and learning and brain.

Lesson 3 Class management and preparation: How to prepare your lessons, how to construct them, class rules and working forms. Lesson individual and groups.

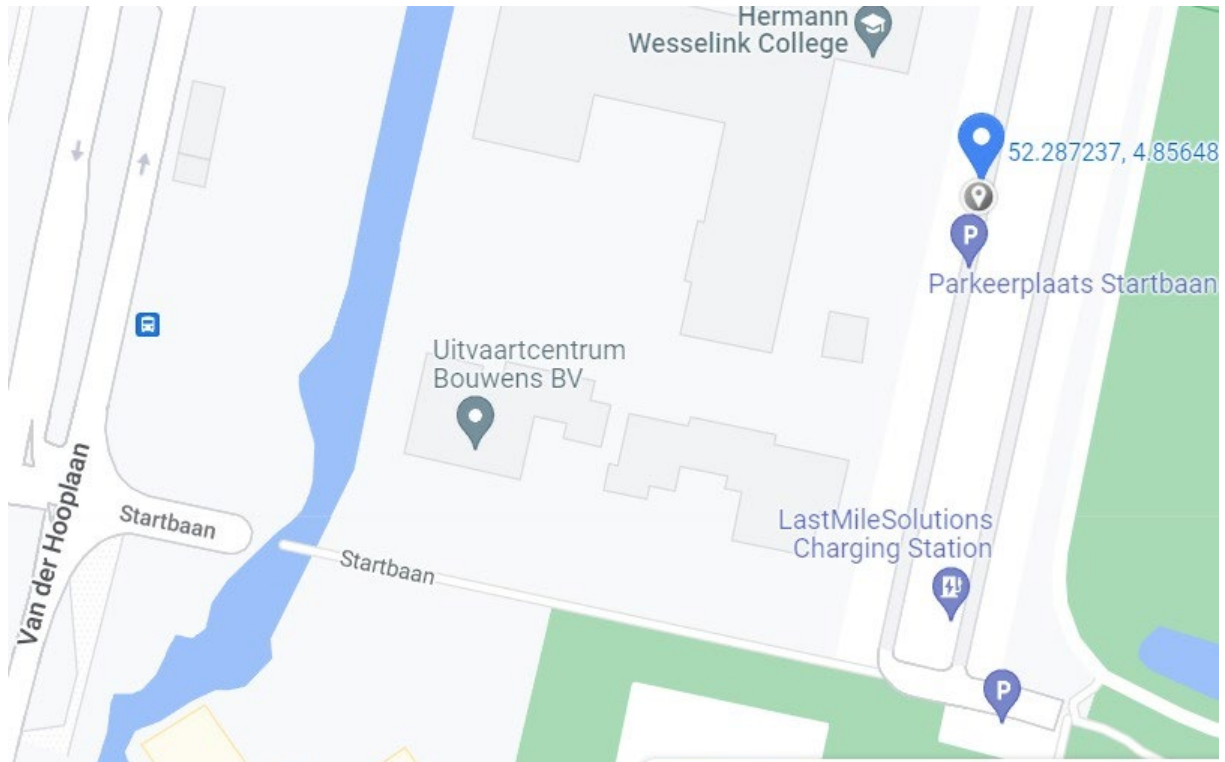

Lesson 4 **Digital exam and lesson via Zoom** Learning mindset, motivation and safe learning environment.

Lesson 5 Check exam and Learning mindset as teacher.

Requirements to enroll the course

1. All participants **must give actively lessons** at a chessclub so all knowledge can be brought into practice while enrolling the course.
2. All participants must have **passed the step 1 exam** for the end of the course. A Trial exam step 1 with mark 8 is accepted and if shown beforehand to me.

Free Parking Amstelveen
